I hardly know where to begin. We have an outstanding list of dealers for you this year. Most dealers from last year are returning, and we have added 12 more sales tables to accommodate the wonderful new dealers as well.

We will have Taller Targioni from Spain, Geoff Wonnacott and Ray Storey from England, Mark Murphy, Mary Grady O'Brien, and Peter Tucker to name just a few. Johannes Landman and Williamson-Walton Marble will each be returning for a second year. The full list can be found on the show web site.

Don't miss the articles in the Jan/Feb issue of *Dollhouse Miniatures*, and in both the Feb. and March issues of *American Miniaturist*. Our Karen Cary's work is on a cover of *American Miniaturist*. There are also articles in *Dollhouse & Miniature Scene* in England and *Miniatures* in Spain. Our thanks to Michael & Martha Puff for making this happen.

Friday workshops will be firmed up by June 1st and on the web site.

We will have two special 2-day workshops after the show, an arts & crafts room by The Guys From Texas, with a furniture and/or light class for that room by Peter Tucker. Wow!

Joan Hammon and family have moved out of state, so Phyllis Hedman and I have returned as Dealer Chairman and Chairman. Our year of retirement has given us new enthusiasm. Lisa Guilmette will be our new Exhibit Chairman. And we are not moving, we will be at the Doubletree Hotel, October 9th and 10th, 2010.

From The Regional Co-Coordiators

Things in our area are starting to heat up. We are on the Name Day Committee and are getting it off the ground. You will recall this from last month's article as a workshop to unify NAME members, both nationally and internationally. We will all be doing the same project at many different locations all over the country. You will read in other columns of 2 of the events happening in Nevada City and Lake Tahoe. MiniCals and Through The Looking Glass will be hosting in San Jose/Morgan Hill area for 55 -60 NAME members. Contact Ruth Heisch at grouchybear-too@aol.com. Please enter NAME DAY in the subject line. We will be doing a 1' Country Harvest Hutch with many accessories. This will be at a building owned by NAME member Karen Laisure. We are very excited about this location and hope to familiarize you with this space because she is planning to hold more workshops and have some guest artists to teach. At least one of the "post Good Sam" workshops will be held there. Karen hopes to carry supplies needed for workshops and perhaps some miniatures on consignment. We desperately need this in the South Bay area. The location is off 101 at the Cochrane Rd. exit to 315 Digital Drive.

A new club is being formed for the 3rd Saturday of every month in the South Bay. Contact; Klasure@aol.com

We are approaching that time again for awards. We hope you have been noticing the superstars among you and we want to hear about them. Contact your State Rep with your nominations. You can find your rep and all the info on the awards along with past recipients on the N2 website through miniatures.org. Just click on Regions and N2. Take the time to check out the whole website. It has some interesting photos and tidbits.

We have been working for many years with the Good Sam show. This is a wonderful event for our area and we would like to see more clubs involved in volunteering. Think about all this show has given to you over the years and plan on giving back a 3 or 4 hour shift this year. It's always fun to be with fellow miniaturists in all capacities. We will be very glad to pass your name or club along to the volunteer chairman.

You can get acquainted with the above space at the MiniCals Spring Fling on Saturday, March 27. Our annual flea Market and pot luck will be held at the Digital Drive location from 11am until 3pm. Drinks provided. \$8 at the door or \$6 prepaid to: Ruth Heisch 7197 Wooded Lake Drive, San Jose Ca, 95120. Take 101 South to Cochrane Rd. to the Right. Go 2 lights to Butterfield, Turn Left. Then Right on Digital and you

When the sun shines once again we hope to resume or club visits. See you soon.

Ruth and Diane

HELP!!!

Our region is desperately in need of Grab Bag items
AGAIN!

We have pretty much exhausted our supply of donations for Grab Bags so it's time to clean out your stash and consider donating to our region.

You can call any of the State Reps to pick your contributions up or you can pass them on to us at an event. This is our primary fund raising method in N2 and surely, you need to thin out your stash? I know I need to do it yet again.

Hello miniaturists!

It is spring again! I'm not sure how that happened so fast. It seems like just yesterday it was winter. I noticed when I was doing the calendar for this issue that there are many fun mini events coming up in the next few months. I'm hoping to attend some of these events and also hoping that many of you will be able to attend these fun events!

I'm planning on retiring one year from now in March. I'm looking forward to my retirement years because it will allow me to have the time to do some of the things that I love...like making minis! We are going to travel but my 1/4 inch house kits will travel nicely, as will the tools and paint that I need for my mini projects. I love my job as a Hospice Social Worker but it will be so nice to have all those hours every day to do the things that I don't seem to be able to fit into my busy life. I can hardly wait to start!

I recently had the opportunity to educate a new found friend about the miniature community and NAME. She is so excited that there is a miniature world that she has never heard of and equally excited about becoming a part of NAME. It had been a long time since I have had the opportunity to introduce someone to the mini community...and I must say that it has been great fun. Just talking about it and showing her the website has been a joy. Her eyes light up when she talks about miniatures. Ummm...when is the next mini show or convention??

Yours in Miniature, Leslie Swager

NAME National Returns to Seattle

The first National I ever attended was in Seattle, so this year's convention is sort of like old home week, although I have learned a lot since I was a "first timer". Since the convention is so close for those of us on the West Coast I really hope that Region N2 will have a great turn out this year. A big advantage for me is that Horizon Air, the only airline out of my hometown airport, flies directly to Seattle, and the fare is pretty reasonable. So, this year I won't have to rush to get to SFO just to wait spending hours going through security; another plus!

I was also pleasantly surprised to learn that, contrary to my perception, Seattle is not under a perpetual rain cloud. The weather was beautiful and the people were so friendly. Now I know that you'll be reading this in the online region and hearing it discussed at club meetings, but, if you have never been to a National Convention, you are really missing out on a big part of your membership in NAME. There is just no way to describe what it is like to spend a week taking workshops, dining, shopping, dressing in costume, participating in activities, and so much more and all with 600 -700 like minded miniaturists! The camaraderie is something you will never forget. So, if you haven't already registered, I hope you will consider joining us in Seattle.

NAME Board Elections Coming Up Soon

As many of you know, the elections for the NAME Board of Trustees are coming up very soon. The election of Board members is the most important step we take to determine the future direction NAME will take. I am asking each of you to please, make that double please, vote in this election.

I know that it is difficult to make a choice when you feel that you don't really know the candidates, but read the resumes and statements of each candidate, and evaluate what they will bring to the Board. In our last election less than 10% of our entire membership voted. I wonder how much worse shape our country might be in if our government officials were chosen by that same limited minority. And let's face it, you probably don't know those candidates any better, yet you make a choice based on what you believe the candidate will do. If you are unsure, ask your friends if they know the candidates or if they know of their involvement in NAME. What are their qualifications? Will their past experience make NAME a stronger organization? What have they done in the past, and how does it relate to the office they are seeking?

As a current Board member I know how important it is for each of us to

work toward our common goal; to ensure the growth and longevity of the organization, to educate the general public about our hobby and promote miniatures as an art form, while creating a social network for the exchange of information and ideas among our members.

Even if a candidate is running unopposed, that doesn't mean it isn't important to vote for them. A favorable vote means that you have confidence in that person's ability to serve the organization. I also know how important teamwork is among the Board members; a strong team can accomplish many things.

I firmly believe that all the candidates are running because they believe they will do a good job and have ideas that will improve the organization. That being said, I can tell you the candidates that I am voting for. These are the people I feel can work together to best serve the organization and will bring the most experience to the Board. My choices are: for 2nd Vice President, Luci Hanson; for Treasurer, Bill Allen; for Secretary, Barbara Thornton-Hill; for Member At Large, Janet Smith and of course, I am asking for your vote for the office of 1st Vice President as well.

Your ballot will be in the March/April issue of the Gazette. In order to be counted, you must follow the procedures for voting and returning the ballot. Regardless of

whether you choose my recommendations, or make your own choices, please do vote. It is the most important thing you can do to support NAME.

Cary Yerves

South Bay/ Peninsula by Laura Johnson

Things were pretty quiet, miniature-wise, through the holidays but there are signs that our groups are becoming active again. There is much talk on the web about the upcoming National in Seattle, so much excitement. And I've seen that several people in our area have signed up to make tote bag favors.

Shellie's Miniature Mania, our local shop had a party on January 31 to show off all the new miniatures Shellie purchased at CIMTA. That was a nice way to get started on the new year. And there are several wonderful workshops coming up at the store.

The Wee Housers had another successful flea market in San Mateo in November. There were a lot of bargains and everyone went home happy. The club is starting to plan for the 2010 flea market.

Happy Miniaturing!

Laura Johnson

State Rep's Reports (cont.)

North Coast by Jo Anne Grundhofer

Well now, here in Humboldt County, we started the New Year with a big bang! On January 9th, about 4:30 in the afternoon, I do not think there was one person that did not move. Yes, it was a 6.5 earthquake. The damage for most of us was small—minis jumped off shelf, out of houses and are still being found in unexpected places. Our President, Gail Freeman, lost a lot of dishes, her husband has now put earthquake latches on her cupboards. Our Historian, Susan Hardie, had her doll house fall over. All-in-all, it got a lot of us checking everything, many of us have found minis we forgot about. Perhaps it was God's way of helping us clean house.

The January issue of "Miniature Collector," featured Redwood Small World's donation of the doll house we donated to C.A.S.A. That was a very fun project to do and made us all feel good.

On January 7th, we removed our December display from the Ferndale Library, the end of three months of displays. We changed it each month. We are signed up to do it again next October, November, and December. In September, we will be doing a display in the McKinleyville Library. Since McKinleyville is approximately one hour away from Ferndale we have decided to do Christmas in September or "Christmas Already?"

At the end of this week (the first of February), six of us from Redwood Small World will be on our way to Sacramento to attend River City Rendezvous and work on our Christmas trees, lights, ornaments, and completing a room box for the tree. Happy

day ... mine is all done, as I am a teacher and need it for display. Also, I needed to know how it all works so I can teach.

On March 13th, R.S.W. will again have a play day at *Scrapper's Edge* in Eureka. Twenty people will be attending, building kits, receiving gifts, enjoying lunch and finishing a room box. The plan is a quilting room. The box is 1" scale in a 1/4 round – anyone can do three more rooms to have a full circle, or it will fit well in a corner. The teachers are busy finishing theirs for display.

On May 1st, the American Association of University Women of Humboldt County will be having a meeting at the Ingmar Club in Eureka and have asked R.S.W. to display some minis. We have been working on our street of shops for about a year now and will show them. There will be 12 to 15 shown and enjoyed. The shops will also be displayed at the Eureka District Fair in June and the Humboldt County Fair in August. Some of us will not be able to attend as we will be headed back to Sacramento for Folsom Fiesta and the parking lot sale the next day. A great highlight of the year.

As busy as we seem to keep ourselves, we still do a project at each monthly meeting, and work on our own projects too. It all adds up to R.S.W. being a Blue Ribbon Club again this year. Something we are all proud of. It does take a good secretary to make sure we fill out the paper work. Thanks Sharon Spencer.

Joanne Grundhofer

Northern Nevada by Mary Ann VanBuskirk

CARSON CITY CLUB: They are planning a 1/4" scale workshop for June 12, 2010 in Carson City, Nevada. I understand the registration is \$65 and is going to be a Virginia City theme "Step Back in Time". Contact Joann Jacot at jacot@clearwire.net for further information. You will enjoy these folks, great bunch.

RENO CLUB: Debbie Zalmana has been in contact with me about their plans for an estate sale of two of their club members. As soon as I receive more information, I will include it.

TAHOE MINIACS: We are busy getting ready for our State Day workshop in August. See ad in this issue. We already have about 25 signups so don't delay in getting your registration off to us. There was a "senior moment" error in the last issue, the dates of the workshop were off by one day! We are also planning to participate in the National State Day workshop and will have ours here in Tahoe on October 2nd. More information as soon as we have things solidified.

Have a great rest of the winter and I, for one, am looking forward to Spring.

State Rep's Reports (cont.)

Fresno by Barbara Fairbanks

Fresno Tinker Belles are still working on the Brambly Hedge projects and just signed up to do totes for the Seattle National. We found that we were not happy with meeting once a month so we meet every Thursday afternoon.

We have been trying to find new members. The Fresno Bee newspaper has started a small article once a week of different clubs and their meeting times and places. With crossed fingers, I placed an ad in November. This has so far produced calls from two people. One, a new retiree, looking for a hobby and another with a huge dollhouse to give away. We have not yet seen the lady wanting to build miniatures but the dollhouse has a new owner. She is a lady who has been in miniatures for many years and never actually owned a scale dollhouse. She is so pleased and now designing the different rooms and color scheme for the furniture. She will be busy for a long time as this house has many rooms and porches.

Four of us went to the Salt Lake City and are trying to finish the projects that we received there and the workshops that we took. Also four of us were able to buy the NAME house kit fund-raiser and looking forward to building it together.

Next up for us is the Morro Bay Show and Sale February 20 and

21. It is always the first show of the season for us and we look forward to going. Luckily most of us can attend. We always enjoy the time we can spend on the Central CA coast. Six of our club members are planning on attending the Seattle National House-party.

Barbara Fairbanks

East Bay/ Tri-Valley by Jennifer Rich

Well another year has started. Along with it comes the New Years Resolutions (and trying to keep them.) Among other things I have made the resolution to complete as many of my unfinished projects as I can. This way I won't feel as guilty when I take new classes or purchase new kits. Besides it really is a fun hobby.

I've heard that a number of people from this area have sent in their registration applications for "Merry Old England, Now and Then", being held this July in Seattle. It sounds like it's going to be a fun event. The classes are on the NAME website if you want to see what is being offered.

Last time I mentioned that we were trying to get a group of miniaturists together to make a donation gift. The Miniacs of San

Francisco have decided to do a room box/shop and donate it to the CHAMPS show as a raffle gift. We have tentatively decided on building a "Holiday Shop". If anyone is interested in joining us you're more than welcome. We meet in San Francisco one evening a month.

Both The Mini Dreamers (in the East Bay) and The Miniacs of San Francisco currently have openings for members. The contact information for both clubs is located on the NAME website.

Contact me at
msjenniferrich@yahoo.com

Shasta/Trinity By Margaret Gordus

Melba was hostess for 24 people at our Annual Christmas party. Gifts were exchanged by the members and guests received "goody bags".

Judy Orr is a competitor for "Doll of Year," through Doll Reader in Artists magazine by entering a 5" Renaissance Jester doll.

The project we are working on is a store window in a picture frame roombox. Each member will make a different scene.

State Rep's Reports (cont.)

We are looking forward to going to the Folsom Fiesta workshop in May and two of us are selling at the Elegant Dollhouse sidewalk sale, so come visit us on Sunday.

Margaret Gordus

Sacramento *Open Position*

Last weekend, I attended the River City Rendezvous State Day. The project was a Christmas Tree which the committee sent out ahead of time for the participants to make at home. Then, at the event, we were presented with a very comprehensive booklet of directions to make ornaments for the tree. In addition, we were given many, many kits to put together the ornaments and decorations. In addition to that, we received a roombox for our "Christmas" room. It was a very pleasant day. The "Mini Wizards" have been putting on this State Day every February for many years now and they announced that next year will be their last River City Rendezvous. The project will be a "Boutique". Enrollment will be limited to 40 and the cost is \$70.00. So get your reservation in early as this surely will fill up fast.

Folsom Fiesta will be occurring on May 1, followed by the Elegant Dollhouse Parking Lot Sale on May 2. The Folsom Fiesta State Day has been filled for several

months now and all are looking forward to yet another great project and a fun weekend.

The Nevada City Club, Gold Country Miniature Society, will be hosting a weekend event over the National NAME DAY weekend, October 1-3, 2010. See the flyer in another section of this newsletter for registration information. The club has a fun-filled weekend planned around the theme "Tea Room Boutique" in either 1" or 1/2" scale. For you Quarter Scalers, don't feel bad, they have special surprises for the smaller scale enthusiast.

We still desperately need a State Rep for this area. If you are interested in this position please contact me, Barbara Thornton-Hill, 530-265-5704, bathca@gmail.com OR Ruth Heisch/Diane Piziali, the Regional Coordinators. It's not a lot of work but there are some responsibilities that go with the position. And there are so many perks, primarily that you really get to know other miniaturists in your area.

Barbara Thornton-Hill
Still Temporary State Rep

Hi! I'm Connie and I have been a NAME member for only one and a half years and I can tell you that because of the vast networking of great women in this organization I have learned more techniques and met more mini addicts than I have in my last 30 years of making miniatures. Our group of ladies in the Nevada City area call ourselves the "Gold Country Miniature Society" and we are sponsoring a weekend event. It's already February as I write this and so I want you to save the first weekend in October. It's National NAME Day Weekend, Friday, Oct. 1 to Sunday Oct. 3 2010. We will be making a "Tea Room Boutique" in 1 and 1/2 inch scales. The retreat is located in a beautiful wooded area of Nevada City and the workshops will be fun and it's a good way to meet other NAME members--new and old! See you there.

Connie Younker

NATIONAL NAME DAY WEEKEND EVENT

“A TEA ROOM BOUTIQUE”

Sponsored by “Gold Country Miniature Society”

WHEN: Friday, October 1, 2010 to Sunday, October 3, 2010
5:00 p.m. Friday through lunch on Sunday

WHERE: Diamond Arrow Christian Conference Center
Nevada City, California
www.diamondarrow.org

WHAT: A weekend of fun and minis. We will be making a tearoom vignette using the NAME Day Hutch in the scene. There will be a roombox that fits behind a 9x12 frame in 1" scale OR a 5 x 7 frame in 1/2" scale. The box will only be 3-3/4" OR 2" deep so could be hung on a wall or will take very little space on a shelf.

ACCOMODATIONS: The cost of this event includes 2 nights lodging and 6 meals. We have had 2 other regional events at this conference center in the past and they have been Super FUN. Rooms have 3 beds (one is a top bunk)

COST: (includes workshop, 2 nights lodging, 6 meals and surprises)
NAME Members: \$165.00
Non-NAME Members: \$200.00 (the extra \$35.00 will go toward a one year NAME membership)

For you Quarter Scalpers, we are only offering the workshop in 1" and 1/2" scale but you won't be disappointed as we have many surprises in store that will make you happy

Workshop - Swaps - Food - Fun - Roundtables - Gifts - Sweaterbox Salesroom
(just a few of the fun events in store)

This event is for name members only. You can join name online at www.miniatures.org or by paying the non-member fee for the workshop

Make checks payable to: “Gold Country Miniature Society”

Send to: Barbara Thornton-Hill, 13703 N. Bloomfield Rd., Nevada City, CA 95959

Questions? Call Barbara 530-265-5704 Email at bathca@gmail.com

Hallmark Ornament Contest

The Perfect Project for a Snow Day!

A challenge to NAME clubs and their NAME members to use Hallmark ornaments in a miniature vignette, landscape, or display.

Now that the Christmas season is over and you've all packed away all your Hallmark ornaments this is a great time to take part in the Hallmark Ornament contest. A lot of our NAME members are enthusiastic collectors of Hallmark ornaments, and many of them lend themselves to use in miniature exhibits, hence the contest.

Contest Rules/Guidelines:

These ornaments may not be replicated or altered, but used as-is (except for careful removal of the loop for the hanger). Ornaments may be from any year, including this year's collection, and they are not limited to a particular season or theme.

1. Clubs may have as many categories as they wish for their club purposes and may develop additional rules as they choose.
 2. Clubs will choose one of the entries from their club contest to be submitted to the Club Committee as their entry in the national contest by **March 30, 2010**. The entry submitted must be by a NAME member.
 3. Clubs will send a color photograph of their club entry (digital photograph sent electronically is preferred) to the Club Liaison (Rachel Bonney, rachelb@webkorer.com) by April 20, 2010. No late entries will be considered. DO NOT SEND THE ACTUAL MINIATURE DISPLAY! One photograph is preferred, but if a second picture is required to fully show the display and use of ornament(s), two pictures will be acceptable.
- Three (3) winners will be chosen from the entries. Winners will be notified by June 15, 2010. All judges' decisions are final. The photos will be sent "blind" to our judges (they won't know whose entries they are viewing). Judges, Club Committee members, and their family members are not eligible to participate in this contest.
- There will be prizes for the winning entries -- for both clubs and for the creators of the winning entries. And, of course, there will be an article in —MINIATURE GAZETTE. □ I hope to be receiving a lot of pictures come March 30 or thereabouts, and I'm really looking forward to seeing the creativity of our clubs and members. Thanks in advance for your participation. Rachel Bonney Club Liaison rachelb@webkorer.com

N2 Special Events

As the Regional N2 Events Coordinator, part of my job is to maintain a calendar of events and activities in our region. When you are planning an event that will affect many members of our region, it would be helpful to you and to others in the region if you would check with me about the dates you are planning the event. It usually works out better for all members if only one event per weekend in the region is happening in order for each event to be able to enjoy maximum participation.

An exception to this is our upcoming NATIONAL NAME DAY weekend in October. We hope to have enough activity so that every member of our region can participate. Thank you for helping us plan a thorough calendar.
